Capt. James B. Fry
Asst Adjt Gen.
Chief of Staff

I deem it my duty and as a matter of necessity to repair to the City upon an occasion of this kind. The Town of Columbia being at present infected with almost every manner of diseases, and accommodation can scarcely be obtained. I would feel very unsafe in remaining there, And if it meets with the approval of the Commanding General I will be most happy to remain in this City until I shall have sufficiently recovered to return to the Regiment. My quarters are at the house of friend Cold White on Broadway between 8th & 9th where I can be well protected and receive proper treatment from the family Physician. I will return to duty at the earliest possible convenience

Very Respectfully

Dear Sir,
I have 65th Regt. 1864

Chattanooga, Tenn

Brig Gen W D Whipple
A. S. Dept Camp &

Sir

I would respectfully
present the following facts, for your consideration.
I have been in command of the 65th Regt Ohio Vols since
the battle of Chickamauga. While at Plains Cross roads
in Jan'y I was promised by Col Harster with the approval
of Genl Sheridan and Grainger, that I should accom-
pany the Regt home, and have a furlough, if I succeeded
in recruiting it as Veteran Volunteers. This I did.

While at London on the 28th Jan'y, I rec'd the enclosed
order, directing me to proceed with my Regt to this
place en route for home. On arriving at this place I
found L^{td} Col Whitbeck 65th Ohio Vols, who has been at home
since the battle of Chickamauga, on his way to
the Regt. I have turned over the command to him. Before
leaving London Col Harster hearing that L^{td} Col Whitbeck
was en route for the Regt, directed me in case we met
at this place to turn over the command to L^{td} Col Whitbeck
and absoly directly to you for a furlough for which he
thought my orders (enclosed) would be a sufficient
warrant. I would therefore respectfully beg a leave of
twenty (20) days.

Very Respectfully

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, as, *ex. gr.* as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of return or pardon.
5. A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
6. Should the man have been engaged in any action or service, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other duty, whilst in the line of his duty.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in person to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of draft, and will be mustered for pay on the usual rolls for Draft and Enrolled.—Commencement of First Payment by "When drafted" will be given the date when the soldier was drafted; under "When mustered in," will be given the place from which drafted; under "By whom mustered in," will be given the No. of the District from which he was drafted, and the State to which he belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by commandant, not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of Statement of Isaac Bouch, Private

Capt A. M. Burbank, having applied
for my certificate on which to ground his
resignation,

I certify that I have carefully
examined this officer, and find him incapable
of performing the duties of his office because
of an injury of his right shoulder. —

On the 24 day of September last
the Captain was thrown from a buggy, falling
upon his right shoulder, fracturing the clavicle,
which being imperfectly adjusted ^{is shortened by} a half inch; and
also injuring the structure of the shoulder joint
to such an extent that he has not yet, nor
will he soon recover the full use of the
right arm. — I therefore deem his resignation
absolutely necessary.

NOTE 1.—The blank will be used for both enlistments and reenlistments. The blank will be made out in duplicate in all cases—one to accompany the recruiting return of the recruit (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A master-in want, in all cases, precedes payment of pay, bounty, premium, &c. A master-in will not, in all cases, be filed in the Adjutant General's Office as evidence of enlistment. The recruiting officer, commissary, or assistant commissary of muster, or the case may be, will countersign both enlistments as having sustained the soldier into the service of the United States before either of them is given to the recruiting officer.

The company commander will have add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of the duty; and whatever other facts may aid in ascertaining as to the cause, immediate or remote, of the disability, and the circumstances attending it.

And the facts are not known to the company commander or the captain of any officer, or assistant of either, who, having such knowledge, will be required—as the surgeon-in-charge of a hospital, the officer commanding a detachment of militia, &c., &c.

When a probable case for pension, special case must be made to state the degree of disability—was A. B. d.c., d.c.; to state the particular disability, wound, or disease; to point to which it deprives him of the use of any limb or organ, or of action in the A. B. strength, activity, constitution, or capacity to labor or earn his subsistence. The pension will not, from the knowledge of the facts and circumstances, and from the evidence in the case, the professional opinion of the cause or origin of the disability. In the case of a pensioning Medical Inspector, the last point to be made will be that the "discharge" was given by consensus of the board, after a previous examination, and for disability, the nature of the disability, and the facts which are collectively known as the "discharge" of the case.

Medical officers, in giving certificates of disability, are to take particular care in cases that have not been fully charged; and especially in cases of convulsions, chronic rheumatism, derangement of the viscera, agues, catarrhs, ulcers, or any obscure disease likely to be long or purposely protracted; and in no case shall such certificates be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out in duplicate by the military nurse present, and retained, or other officer commanding the hospital, and sent to the surgeon in charge of the hospital where the soldier is sent. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental detachment, or post commander, who will forward them, with his return endorsed thereon, through the proper channel, to his direct commander, or if the troops are not organized into divisions, to his regiment, department, or other commanding or sending to whom the company to discharge attached may be reporting.

 Commanding Company.

I Certify, that I have carefully examined said *John Cammical*
 of Captain *Henrett's* company, and find him incapable of perform-
 ing the duties of a Soldier, because of *Chronic Bronchitis and*
Hemorrhoids tending to ulceration of the Rectum
 with a severe attack of the Small Pox - producing
 an unsound Constitution —

J. A. Horn Surgeon.

This is to certify that at the request of Dr. Wheeler of Stanford Ky. last fall at or about the 5th day of Nov. as well as I can now recollect, I visited Lt. H. B. Carter of the 3rd Reg. U. S. & dressed the wounds made by Dr. Craig in the extraction of a Minie rifle ball in the back near the 6th or 7th cervical vertebra & lodged very deeply in the thick muscular mass along the vertebral column. Large quantities of pus, clots of clothing &c. were discharged & continued discharging for several days. The patient was extremely emaciated & anemic having hectic fever & night sweats. I wrote at that time a certificate to this effect, & enclosed it with the patient's application for a removal of his body to the

address furnished me by Lt.
Harter, ^{to the authority} at Columbus O. I be-
lieved then it might require 30
days or even more time for
him to recruit his health
sufficiently to return to duty.
and so stated in the certificate
I then wrote for him. The descrip-
- of the wound was also given &
as far as I can now recollect about
as follows. The wound of entrance
was near the bow of the neck anteriorly
nearer to the trapezius muscle &
making a deep & tortuous ^{track} ~~wound~~
backwards & inwards was lodged
as above described.

Dear Sir

I most respectfully as permiss-
ion of your kindness to remain at home until I am ex-
empted for the following reasons. Viz.
My father died a few days since & left my mother almost
alone, at least without anyone able to assist her & should
I leave home now she would be left in a deplorable condition
therefore I would like to remain at home a month or two any
longer at least long enough to make some arrangements for
my mother & family to live as agreeable as possible

Respectfully &c

When a probable case for pension, special care must be taken to state the degree of disability—as 4, 5, &c., &c.; and to describe particularly the disability, wound, or disease, and the extent to which it deprives him of the use of any limb, or affects his health, strength, activity, comfort, or capacity to labor or earn his subsistence. The pensioner will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In cases of discharges by Medical Inspectors, the last point will state that the "discharge was given by command of a surgeon, after a personal examination, and for the nature, degree, and origin of which an certificate was issued in the usual certificate."

This certificate will be made out in duplicate by the father's civil surgeon, or other officer commanding the hospital where the patient is confined, and sent by him to the person who has charge of the hospital where the father is held. The same will also be sent to the station's commander, and forwarded there by messenger, detachment, or post commander, with such return, as has been prescribed thereon, to the proper authorities, to be a direct connection, or, if the troops are sent to the hospital, to the surgeon, detachment, or other officer in command of the authority to discharge entitled men only on special order.

Jacob H. Smith *Cyrenus Childers*

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way, disqualify him from performing the duties of a soldier.

EXAMINING SURGEON

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, *Thomas A.* previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has *Blue* eyes, *Dark* hair, *Fair* complexion, is *Five* feet *Eight* inches high.

Commanding the Reg't.
The soldier desires to be addressed at
Town _____ County _____ State _____

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *total*, *partial*, *temporary*, *permanent*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The company commander will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the annual discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly stated in the within certificate.

Art. 1100 Regulations, March 1881.

Medical officers, in giving certificates of disability, are to state particular cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, enlargement of the urinary organs, gonorrhea, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company to which he belongs and sent by him to the surgeon in charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, division, or post commander, who will forward them, with his notes endorsed thereon, through the proper channels, to the division commander, or, if the troops are attached to a corps, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

The certificates, after having received the action of the highest authority to whom they are required to be sent, will be returned to the same through the regimental, division, or department, commander, with whom the discharge is authorized by the commanding general, or other authority, and the soldier's discharge will be issued.

V, On Surgeon's Certificate of Disability, leave of absence
for twenty days, with permission to go beyond the limits of the
Department, is granted to

Chaplain Jacob Cooper 3rd Kentucky V. Inf.

By command of Major General Rosecrans

H. Bates Dickins

Capt and

Assistant Adjutant General.

Surgeon (W. H. Thurston)
USA 4th Regt. Meade Div.

Res't Adjt Genl.

Sir:

Chaplain Jacob Cooper of 3rd Ky. Inf., offers his resignation based on physical disability, and after a careful examination of said officer, find the following to be the facts in his case:
In January 1863 Chaplain Cooper, while attending to sick in this Hospital, contracted Erysipilas in a very severe form, and has not yet recovered from its effects, having constant pain in the head and face, and frequent crampings in the neck and chest. Again; In May of this Year he had an attack of Dysentery, followed by Chronic Diarrhea, from the effects of these diseases Chaplain Cooper is often wholly unable for work, and all the time in such condition that he cannot perform that full measure of duty which he feels incumbent upon one holding his position.

Moreover, it is my opinion that he cannot entirely recover his health while holding his position; and therefore, I advise ^{that} his resignation be accepted.

In January last I had a severe attack of dyspepsia, contracted while waiting on the sick of my charges, and was much recovered from the effects of this disease; and, added to this, in May of this year I was seized with dysentery, which of course rendered me unable to perform my duty, and now, after being absent for the full performance, and arriving at the retirement now military service absolutely necessary to the recovery of my health, I now pray for acceptance of my resignation.

Very respectfully, your obedient servant,

Sir,

The undersigned would most respectfully ask for a leave of absence for Twenty (20) days, for the following reasons:

1. During the month of January 1863, in waiting on the sick in this Hospital, I contracted the Erysipelas and suffered with this disease in its worst form; from the effects of which I have not yet recovered. Again: In the present month I had an attack of Dysentery, and am yet weak. It is my desire, therefore, to be permitted to go home to recruit my health.
2. Having been in service nearly a year, I have not been absent from duty, only by being confined to a sick bed.
3. My Mother is very aged and feeble, and I feel it to be my duty to visit her and look after her interests: especially as she is almost wholly dependent on me for attention to her pecuniary interests.

I have the honor to be,

Very respectfully, your obt Servt.

Jacob Cooper.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid in a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p. d. c.*, &c.; to state particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the cases of discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and duration of which are correctly stated in the written certificate.

See also Regulations, Part I, 111.

Medical officers, in giving certificates of disability, are to exercise particular care in all cases that have not been under medical inspection; and especially in epilepsy, convulsions, rheumatism, derangement of the urinary organs, syphilis, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his entire endorsement thereon, through the proper channels to the division commander, or, if the troops are not attached to a division, to the corps, department, or other commander to whom the authority to discharge enlisted men may be specially

delegated, after having received the order of the highest authority to which they are required to be sent, and he will forward a copy of the certificate to the surgeon in charge of the hospital, and a copy to the commanding officer of the detachment, or post, or other authority to which the certificate is sent.
